ZONING COMMISSION ORDER NO. 422

Case No. 83-14

August 15, 1983

At its public meeting on August 15, 1983, the District of Columbia Zoning Commission authorized the scheduling of a public hearing on the following:

Case No. 83-14

ALL ANC's

The Zoning Commission initiated action to consider amendments to the Zoning Regulations and Zoning Map of the District of Columbia relative to the creation and mapping of the Capitol Interest District (CID). The Architect of the Capitol requested the Zoning Commission to adopt amendments that would limit development in the area around the U.S. Capitol to the height, bulk, and density levels generally permitted in the R-4 District, and to restrict certain uses which would otherwise not be appropriate.

It is therefore hereby ordered that the above cited case be scheduled for a public hearing. A formal "Notice of Public Hearing" is forthcoming.
